ALL PERSONS USING THIS MANUAL ARE ADVISED:

1. This manual has been adopted for the purpose of establishing general guidelines for architectural approvals and every day rules for the community and does not supersede or replace the Association's governing documents or local, state or federal laws, codes, ordinances, rules or regulations.
2. This manual is subject to amendment from time to time. Also, because of changing circumstances and technologies, matters prohibited or approved in the past may not necessarily be prohibited or approved in the future.
3. While this manual is intended to establish consistency of appearance within the community, it should be remembered that (because of factors such as location, neighborhood characteristics and proximity to common areas, water bodies, roads and the like) various properties may be treated differently in order to reflect such factors.
4. As stated in the Association's governing documents, no approval hereunder shall constitute a warranty or approval as to (and neither the Association nor any member or representative, thereof, shall be liable for) the safety, soundness, workmanship, materials, usefulness neither for any purpose, improvement or alteration nor as to its compliance with governmental or industry codes or standards.

Naples

Section 10 AIR CONDITIONERS

A. Window A/C units are not permitted.

Section 20 ANTENNAS AND SATELLITE DISHES

A. Exterior antennas used for AM/FM radio, amateur ("Ham") radio, CB radio, Digital Audio Radio Services ("DARS") or antennas used as part of a hub to relay signals among multiple locations are not permitted.

B. Satellite dishes with a diameter of 40 inches or less may be installed subject to the following:
   1. Dish must be installed at least 8 feet above the finished floor of the home.
   2. If a clear signal can be received, dishes shall be installed on the rear wall of the home or on a sidewall within 6 feet from the rear of the home.
   3. Cables required for installation, which are exposed on outside walls, must be painted to match the existing building color.
   4. Dishes may not be installed in common areas.

C. Installation of more than one dish will be considered in the circumstance that a single dish is insufficient to provide an acceptable signal. In such situations, a letter from the satellite service provider must be presented for review to ARC with the homeowner's request.

Section 30 AWNINGS

A. Only retractable roll-out awnings encased on rear of home are permitted.

B. You must submit an architectural application, with a survey showing location and sample of fabric, to ARC for approval prior to installation. Colors must be consistent with the color scheme of the houses in the community.

C. Periodic cleaning and eventual replacement by owner is at the discretion of the Board of Directors.

Section 40 BASKETBALL HOOPS

A. Shall be professionally manufactured basketball backboards installed on black poles with white or clear backboard. No roof or roof-mounted backboards are permitted.

B. Portable basketball hoops shall be stored when not in use. Storage on lanais or anywhere outside of the home or garage is prohibited.

C. Shall not cause a nuisance.

Section 50 WATERCRAFT

A. The only place a boat, kayak or other watercraft may be kept within the community is within the garage of the unit owner. The garage door must be able to close completely so that the boat, canoe or kayak is not visible from the street. Boats, canoes or kayaks parked in the street, clubhouse parking lots, or any other unauthorized area will be towed at the owner's expense.

B. Boats, canoes, kayaks and other watercraft are not permitted on the lakes.

C. Boat houses or docks are not permitted.

Section 60 CLOTHES DRYING

A. No garments, rugs, or any other materials may be hung, exposed, or dusted from the windows or from the front façade of any home. Further, no outside clothesline or other facilities for drying or airing clothes shall be erected in the front yard or back yard of any home.

Section 70 DRIVEWAYS & WALKWAYS

A. Surfaces must be pavers or concrete or another hard surface approved by the Association. Grass or artificial turf shall not be installed on any driveway or walkway surface.

B. Walkways from the driveway to front door, front and rear patios and porches may be considered for resurfacing (tile, pavers, etc.)

C. Driveways should remain free from oil, gas and other stains. Periodic cleaning may be required at the discretion of the Board of Directors.

Naples

Section 80 EXTERIOR HOUSE LIGHT

A. All additional light fixtures require architectural approval. Along with your architectural application submit a picture of the fixture and a copy of your survey, showing the location, to ARC for approval prior to installation. Additional light fixtures shall be substantially similar to existing fixtures in terms of size, color and design.

Section 90 FENCES

A. Fencing of yards or walls are not permitted.
B. Swimming Pool Fences
   1. 5' white or bronze aluminum fencing is permitted to be installed at perimeter of pool deck (not perimeter of property).

Section 100 FLAG POLES & FLAGS

A. No flags or banners other than as permitted by Chapter 720, Florida Statutes.
B. Only permissible installation is by brackets mounted to the front exterior of the house. Flag poles are prohibited. Flags are not permitted to be affixed to trees or other landscaping.

Section 110 GARAGES

A Garages shall not be converted into living space or any other use that is inconsistent with storage of vehicles, equipment and other personal belongings.
B Garage doors should be kept closed when garage is not in use.
C Garage doors should be periodically cleaned, painted and maintained-damaged or unsightly doors may be required to be cleaned, repaired, or replaced at the discretion of the Board of Directors.
D Garages with front facing windows should be fitted with appropriate window treatments (***see Section 320***).

Section 120 GUTTERS & DOWN SPOUTS

A. Gutter color must match the fascia of the house or be white in color.
B. Down spouts must match the color of the house or be white in color.

Section 130 HOUSE COLORS

A. Shall remain as original colors selected by the developer for the community.
B. Approval must be received prior to painting front doors or garage doors.
C. See Exhibit A for VGCC Approved Colors. Any color not listed in Exhibit A is prohibited.
D. Accent Color approved for all doors including garage doors.

Section 140 HOUSE PAINT

A. Shall not have mildew or irrigation staining.
B. Shall not have chipped or peeling paint.

Section 150 LAKES

A. Irrigation from common area waterways is not permitted.
B. All lakes on the property are permitted through South Florida Water Management District for water management purposes and may not be used for recreational purposes. No swimming, fishing or boating is allowed. Use of remote control boats, toys or other items is also prohibited.
C. No personal property may be kept on the lakes or on the lake banks. Any property being kept on the lakes or lake banks is subject to removal without any further notice and at the expense of the property owner.
D. Any signs located on the lake banks relating to use of the lake are property of the Association and may not be removed, damaged or altered in any way. Persons removing, damaging or otherwise altering a sign will be liable to the Association for the expense of replacing the sign.

Naples

E. No construction debris, lawn clipping or vegetation, trash or other items may be deposited in the lakes.

Section 160 LANDSCAPING & PLANT MATERIALS

A. Landscaping (includes plants in established planter beds) shall not be removed or installed without prior approval.

B. All landscaping shall be contained in PLANTING beds.

C. Homeowner is not responsible for maintenance and upkeep of all additional landscaping if said plantings were approved prior to placement by the ARC Committee.

D. Landscaping should not be planted in the Right of Way, drainage easements or Public Utility Easements. Planting in such areas is at the homeowner's risk, as (if utilities need to be installed or repaired) it is within the right of the installing entity to remove the plants with no responsibility to replace them or compensate the owner.

E. When installing new landscaping in any area other than an existing planter bed, or when installing a new planter bed, homeowner should be sure to locate all public and private utilities prior to digging and will be responsible for any damage sustained to any utility line during the course of the improvements.

F. *LANDSCAPE LIGHTING & DECORATIVE STRUCTURES*:

1. Wiring shall be buried and out of sight.
2. Homeowner may be required to assume responsibility for maintaining lawn directly surrounding landscape lighting or decorative structures if the installation of such features creates an undue burden on the lawn maintenance company.
3. Transformers shall be obscured from view.
4. Must not be a nuisance to neighbors.
5. No trellises are allowed.

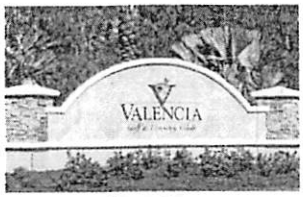

G. PLANT MATERIAL

1. Trees

a) Most varieties are permitted; however, invasive varieties are prohibited completely.
